Dear Mr. Charron

On August 23, 2002, the Department of Environmental Services (DES) conducted an inspection of Charron's Auto Body (Charron's). The purpose of the inspection was to determine Charron's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Charron's was issued Letter of Deficiency No. WMD 02-41 (LOD). Based upon a review of Charron's submittals dated December 4, 2002 and January 9, 2003, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Charron's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Robert Bishop or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,
